SCHOOLWIDE LEARNING OUTCOMES (SLO)

Dominican International School Kaohsiung (DISK) was established in 1954 as a private Catholic school delivering a rigorous US-aligned curriculum from Pre-K to Grade 12. DISK is fully accredited by ACS-WASC (2025) and is a member of the Council of International Schools (CIS).

Our curriculum goes beyond textbooks, building resilient leaders through our schoolwide STARS framework. We nurture students who are:

- **Spiritual & Truthful:** Cultivating integrity and global tolerance daily.
- **Active:** Igniting communities through passionate service.
- **Responsible:** Mastering choices with true accountability.
- **Studios:** Fueling curiosity to unlock knowledge and innovation.

WHY CHOOSE ADVANCED PLACEMENT (AP)?

AP courses provide students with rigorous, college-level academic experiences that enhance their learning and earn them college credit, thereby giving them a valuable advantage in their higher education journey.

COLLEGEBOARD SAT AUTHORIZED CENTER

We offer the distinct advantage of taking the SAT in a familiar, accessible, and comfortable environment. Having an accessible testing center eliminates travel stress and allows students to focus entirely on their testing performance and ensuring a smoother pathway to higher education.

MIDDLE SCHOOL

Serving as the essential bridge between elementary foundations and high school specialization, our Middle School program empowers students to grow academically, socially, and personally. Through broad opportunities for **skills development**, students are encouraged to explore diverse interests, engage in meaningful learning experiences, such as:

- Critical Thinking
- Creativity
- Collaboration
- University & Career Readiness

ELEMENTARY

The Elementary program focuses on **holistic foundational English literacy**, moving beyond basic oral communication to prepare students for academic rigor through language acquisition, reading, and writing.

Why choose our English Immersive Environment?

- Total English Immersion
- Integrated Learning
- High Rigor & Personalized Support
- Future Ready Global Leaders

EARLY YEARS (PK & K)

Our Pre-Kindergarten and Kindergarten programs nurture curiosity through guided play, hands-on exploration, and joyful discovery. Young learners build **foundations in English communication**, social development, and community values while strengthening early neuromotor skills through movement, coordination, and sensory-rich learning experiences.

JOYFUL SUBJECTS

- Developmental Skills
- Language Arts
- Science Exploration
- Math Skills
- Civics & Culture
- PE & Health
- Performing Arts
 - Music, Arts, Dance

LANGUAGE SUPPORT PROGRAMS

We ensure every student can communicate effectively and thrive in a global environment through two **specialized support programs**:

English as an Additional Language (EAL)

Building confidence and academic success through strong English language acquisition and development.

Chinese as a Second Language (CSL)

Developing practical language skills and cultural connections through immersive Chinese learning.
