Thanks to everyone who participated in the bake sale last Friday. It was great to see everyone come together at the end of the week and do something nice for charity. In the end we raised \$14,545 NTD for The Cottolengo House charity, which is an impressive amount. The snacks were prepared by STUCO and the VIP parents and the plants were donated by the campus ministry. A big thanks to those mentioned as well as Ms. Huang and Ms. Lee, who organized the donations.

Dear Friends:

May peace be always with you!

On behalf of Cottolengo's "special" children, we want to express our heartfelt gratitude thru **Ms. Rubie Carnice** for your generous donation amounting to **(Php 24, 455.00) Twenty four thousand four hundred fifty five pesos**, very important for us in this moment of special situation caused by coronavirus.

★ Schoolwide Learning Outcomes (SLOs)

Our mission and vision are presented to students as character statements called Schoolwide Learning Outcomes, or SLOs which are taught to students throughout the year and are assessed in all courses as department. In the month of December, we honored the following students for demonstrating SLOs both in and out of school. These students were awarded up to 25 house points for their hard work and dedication.
