General Announcements:

★ Dominican International School Kaohsiung registration has begun for the next school year starting August 2022. Have your friends contact the office to begin the registration process. We are

currently taking registration for Pre-K through grade 9. We continue to expand our Middle School Program with the opening of grade 10 classes as the entry program to the Senior High School program. Learning at DISK continues to grow beyond the classroom walls.

★ **Spraying:** This is the start of the insect season and with the recommendation from CDC and MOE we will be spraying every Monday and Wednesday afternoon. Starting at 3:45 we will spray the drainage system and water collection areas. Please pick up the

Virus containment procedure. Remind everyone that we still require masks to be worn by students and faculty. Please bring a spare mask in case one gets overly damp or is damaged especially after recess.

FAMILYMPICS: Big thank you to all that made this awesome annual event a success! We came, we played, we had family fun! Spiritual Red came out on top and the sun shined down upon us all. Three cheers to all the cheerleading squads for their inspirational performances. Shout out to our generous VIPs who provided much-appreciated refreshments.
