Course Description:

The purpose of this module is to develop the students' ability in accurately comprehending and flexibly applying the language of our nation. Our aim is to equip the students with ability to listen, speak, read, and write; and the ability to use language to fully express the emotions, expand and mind, mold the character, develop the thoughts, and solve problems. The students will also be trained to effectively apply Chinese language in thinking, comprehension, discussion, appreciation, and creation, so that their life experience can expanded with diversified. At the same time, the students will be able to experience the Chinese culture via language learning, and also get to know the cultures of different races and countries.

Course Requirements:

- The course will be conducted through lectures, discussions, practice material, projects, and student presentations. Students are strongly encouraged to raise questions and make comments in class. Participation is the key to success.
- Students are required to complete each assignment by the date that it is assigned. Staying on track with assignments will facilitate understanding of the class material.
- Google Classroom is available to each student. If there is difficulty in completing the assignments, the teacher must be notified before class the next day.
- Students are encouraged to communicate concerns to teachers and ask for help as needed throughout the school year.
- Students are expected to organize their own class materials and to keep their work neat and tidy. Parents are encouraged help students by labeling personal items with identification stickers with student's name in English.
- Students will observe all school policies as outlined in the DISK Handbook. This includes arriving to school on time, abiding by the dress code and speaking only English on the school grounds.
- Students will observe all school policies on Academic Honesty, as outlined in the DISK Handbook. All cases of academic misconduct (such as cheating on tests or plagiarism) will automatically result in a "Fail" grade for the assignment, in addition to any sanctions that may be imposed by the School Discipline office.
